

OFFICIAL PUBLICATION OF THE CANADIAN ASSOCIATION OF WOODEN MONEY COLLECTORS

VOLUME 31

ISSUE 5

MAY 2005

EDITOR: Ross Kingdon, 12 Peter Street, R.R.#1 Grand Valley, ON, Canada L0N 1G0 E-mail: rossk@headwaters.ca

FROM THE EDITOR:

For once, your editor had more than enough material to include in this month's newsletter and, so as not to push the postage costs into the next level, has had to temporarily delay or suspend two on-going stories (chronicles) until next month. I will continue with **Dave Phillip's** interesting '*An Alaskan Chronicle*' next month when he writes about the 'woods' from Juneau, Alaska. As well, I will also try to continue with some more CAWMC history namely some '*CAWMC Firsts*'.

As stated last month, a more detailed write-up is included this month on two of our long-time CAWMC members, *Jerry Remick* and *Earl Salterio*, who passed away in March 2005. These are included on pages 3 and 4. In that same regard, our secretary/treasurer Al Munro advises me that CAWMC sent flowers, jointly with the Calgary Numismatic Society to Earl Salterio's funeral and Earl's wife Esther, has sent a card of thanks to our Association.

As you know, **our annual CAWMC general meeting will be held in Calgary this July** in conjunction with the annual Canadian Numismatic Association (C.N.A.) convention. Since the passing of Earl Salterio, who was the co-chair of this C.N.A. convention, our CAWMC Sec./Treas. **Al Munro**, has now taken on the role of **Show Chairman** and is now, no doubt, a very busy man. Al has forwarded to me **DRAFT** copies of the convention '*Registration Form*' and '*Schedule of Events*'. I have included **both** of these documents in this newsletter for your **early** use. Costs are included. These are found on pages 5 to 8. It is to be remembered that these are DRAFT documents and may be subject to minor changes. **Note our CAWMC meeting on SUNDAY JULY 24th at 8:00 a.m.** Al's phone number is 403-273-6133 and his e-mail address is wood5cents@shaw.ca

Coming next month will be a much more detailed descriptive narrative of the TOURS portion of this convention.

MARITIME WOOD CATALOGUES AVAILABLE:

In last month's newsletter, I described the **three Maritime wooden money catalogues** done by **Glenn Rodger** and **Dave Taylor**. Since then, I have received an e-mail from Dave saying that **all three** of these books are available from him for **\$20.00 plus shipping** (Canadian funds). He has many complete sets of these Maritime catalogues available to anyone interested. **All books will be signed by both Glenn and Dave**. Dave's e-mail address is coracats@nb.sympatico.ca or contact me, your editor, and I will forward your order or message to him.

FREE WOOD OF THE MONTH

Our free wood for this month is once again, donated to the membership, by our secretary/treasurer and membership chairman **Al Munro**. The wood was distributed at this year's **Calgary Numismatic Society** annual coin show, held in March. The wood is hot stamp printed in a gold colour both sides. Thank you Al for this donation.

JEROME H. REMICK 1928 – 2005

Jerry Remick, who passed away on March 1, 2005, in Ste-Foy, Quebec, was one of Canada's most prolific numismatic writers. He was 76 years of age. Jerry, trained as a geologist and working for the Province of Quebec, spent much time surveying, in Northern Quebec. During this time he developed much respect and appreciation for First Nations traditions.

In his early teenage years, Jerry was a stamp collector, but soon began collecting coins and researching the history surrounding them. He was a founding member of the Canadian Numismatic Association in 1950 and over time became a member of more than seventy clubs in twelve different countries. Jerry wrote extensively for the Canadian Numismatic Journal and Canadian Coin News. He has published hundreds of articles in monthly coin bulletins and in specialized coin bulletins around the world. He wrote many articles on his favourite topic Canadian municipal and trade dollars. He wrote more than 500 consecutive articles for Canadian Coin News since 1978. Jerry helped author the first booklet and check list on municipal Canadian trade dollars. He was the founder of the Association of Personalized Medal Issuers (APMI). He struck some 200 personal medals, many of them Christmas issues.

Over the years, Jerry has penned many articles for CAWMC, on many topics, from issues of Prince George Spruce dollars to printing of information on manufacturers of wooden Christmas issues. He always felt that tokens, medallions, trade dollars and woods were of particular interest to most collectors.

Jerry received many numismatic awards ranging from a Numismatic Award for Youth Support from the Royal Canadian Mint to the Numismatic Research Award from the Canadian Numismatic Research Society (CNRS). He was awarded fellowships by the Canadian Numismatic Association, the Ontario Numismatic Association, the South African Numismatic Society and the Royal Numismatic Society (England). In 2001 he received the J. Douglas Ferguson Award, the highest honour in Canadian Numismatics.

For more than half a century, Jerry has encouraged numerous collectors in various hobbies. He had a very sincere soft spot for the wooden money hobby and issued many wood tokens and Christmas wood flats over the years. Jerry was a good friend to all and will be sadly missed.

NEW 'WOOD' ISSUES FROM THE O.N.A.:

To my knowledge, only two woods were issued for the recent **Ontario Numismatic Association** convention held on April 16th and 17th in Sudbury, Ontario. I would think that they are still available from the issuers for a SASE and have included their addresses.

EARL JOSEPH SALTERIO

1934 - 2005

Earl Joseph Salterio, F.C.N.A., F.C.N.R.S., Knight of St. Eligius, Knight of Columbus Fourth Degree and beloved husband of Esther Salterio of Calgary, passed away on Tuesday, March 1, 2005 at the age of 70 years.

Earl was born in Saint John, NB on May 26, 1934. He graduated from St. Vincent's Boys High School, later attending Saint Thomas University in Chatham, prior to joining the Bank of Nova Scotia in Fredericton in 1961, which began his interest in numismatics. He served in various branches in New Brunswick and Calgary before retiring on February 28, 1993.

A devoted Roman Catholic, he was very active in the Diocese of Calgary, having served on the Bishop's Diocesan Finance Council and the Board of the Priests' Retirement Residence. Earl served his parish of Sacred Heart as Eucharistic Minister and in the capacity of Acolyte/Sacristan at parish funerals.

Earl was very active in the hobby of numismatics and received numerous prestigious awards. He was President of the Fredericton Numismatic Society in 1980. In 1981, Earl was transferred to Calgary as a manager with the Bank of Nova Scotia. He joined the Calgary Numismatic Society in 1981 (# 601) and was First Vice-President in 1982 and 1983. He was elected President of the club in 1984. He later served on the Calgary club's executive as a Director in 1987, Secretary in 1988, First Vice-President in 1994, President again in 1995 and a Director again from 2000 through 2004. He also served on many Calgary Numismatic Society Coin Show committees, including being Show Chairman in 1983. He received the Calgary Numismatic Society's Donald D. Paterson Award in 1985 and the Professor A.R. Prince Memorial Award for Best of Show at the 1986 and 1999 Calgary club's Coin Shows. He was co-designer of the 1987 Canadian Numismatic Association Convention medal. Earl was presented with Honorary Life Membership # 13 in the Calgary Numismatic Society in 1998.

Earl was very active with the Canadian Numismatic Association, serving on its executive from 1987 to 1993, first as Second Vice-president, next as First Vice-president. He was CNA President from 1991 to 1993. He was also the American Numismatic Association's Country Ambassador to Western Canada for many years.

Earl received the Canadian Numismatic Association's 1994 Guy Potter Literary Award, the same year he was appointed a Fellow of the Canadian Numismatic Association (F.C.N.A.). He served as the CNA's Golden Anniversary Chairman for the Fiftieth Anniversary Convention in 2000, for his work on which he received a CNA Presidential Citation. Earl received the prestigious J. Douglas Ferguson Award, the highest award of the Canadian Numismatic Association, in the year 2000. He was also presented with an American Numismatic Association Presidential Award for "Outstanding Contributions to the ANA and the Coin Collecting Community". It was presented to him by A.N.A. President Robert Campbell.

Earl also served the CNA at various times as a member of the Coin Week Canada committee, Club Services Chairman, and the Awards and Medals Chairman.

Earl wrote a number of well-researched articles on subjects previously untouched by other writers, such as his articles on R. B. Bennett and his contributions to numismatics and education, and the Canadian Numismatic Arts Society. He spoke at the 1995 CNA Educational Forum in Calgary on the subject "Rt. Hon. R.B. Bennett: His Contribution to Numismatics".

Earl served on the board of the J. Douglas Ferguson Historical Research Foundation, of which he became the Treasurer. He also served as one of the judges for the Canadian Numismatic Research Society's literary award. He was a Past-President of the Canadian Association of Wooden Money Collectors. He was also President of the Canadian Paper Money Society from 2001 to 2003, and, at the time of his passing, was the Prairies And N.W.T. Regional Director of C.P.M.S. and the Co-chairman of the Canadian Numismatic Association's 2005 Convention in Calgary.

Paul Berry, Chief Curator of the National Currency Collection, Bank of Canada, paid the following tribute to Earl Salterio: "I am so sorry to hear about Earl's passing. I for one will certainly miss his presence at the conventions and in particular his warm manner of greeting friends that can be best described as a jovial

conviviality. I will remember him as a kind, friendly fellow that gave of himself to help others. A knowledgeable numismatist, his deep voice, white hair and kind face gave him an air of authority, trust and wisdom one would more associate with the religious or legal profession. No doubt it was these attributes that led Earl to say grace at most convention gatherings where meals were served and caused Earl to be appointed a judge at the mock trial of Louis Riel during the 1985 (CNA) convention in Regina. He will be sorely missed!"

Earl will be sadly missed by his many friends, associates and colleagues in banking, numismatic, fraternal and church circles. He is survived by his beloved wife Esther, his two sons and daughters-in-law, Dr. Stephen Earl and Leslie Salterio of Kingston, Ontario, and John Paul and Christine Salterio of Halifax, Nova Scotia, together with grandchildren Alexander Leo of Kingston and Nicholas Reynold of Halifax, his sister Florence Hamrick of Texas, and many cousins in Canada and the United States. He was predeceased by his father and mother, Earl Reginald and Rosamond Veronica (nee Matthews) of Saint John, NB.

Funeral Mass was celebrated at Sacred Heart Catholic Church, 1307 - 14th Street SW, Calgary, Alberta on Saturday, March 5, 2005 at 11:00 A.M. Further services followed in Saint John, NB prior to inurnment in St. Joseph's Cemetery. In living memory of Earl, a tree will be planted at Fish Creek Provincial Park in Calgary.
